DETAILED ACTION

Allowable Subject Matter

1. Claims 1-26 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, particularly U.S.P.N. 5,758,079 to Ludwig et al., do not teach or suggest the applicant's invention as claimed in detail. Ludwig '079 teaches interfaces separate from an attendee's computer (62,63 with ports (see col. 22)). However it does not teach allowing a requestor to link to one but not the other of said first and second network interfaces when an attendee transmits both first and second streams to the first and second network interfaces (as recited in claim 1 and 24). As concerns claim 19, Ludwig '079 does not explicitly teach the multiple interfaces for first and second virtual meetings as claimed in detail. See also applicant's remarks of April 3, 2008.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
